

GAHYUN ELENA YI

FRONTEND DEVELOPER

Utrecht, the Netherlands | +31 6 8718 9359

kunstvanelena@gmail.com | [LinkedIn](#) | [Github](#) | [Portfolio](#)

“ I strive to create products that are not only scalable and efficient but also have engaging, pixel-perfect user experience. Currently seeking an opportunity to leverage my creativity, technical expertise, and passion for coding to contribute to a dynamic software development team. ”

SKILLS

Front-end : JavaScript(ES6), React, HTML5, CSS3, Sass, Bulma, NPM, Webpack, Git, VS Code

Design : Figma, Photoshop, InDesign, Wireframing, User Experience

Work skills : Collaboration, Communication, Continuous learning

PROJECTS

DoodlePainter : Developed a web-app inspired by famous drawing toy Etch-a-sketch, that users can create pixel art. Built with vanilla Javascript.

Bookiit : A web app to store a list of books that are read or to be read. Built with vanilla Javascript using ES6 Classes.

elena-yi.dev : Designed and built a personal website from scratch. Focused on ensuring responsiveness and accessibility, delivering an exceptional user experience and pixel perfect layout.

RecipeBind : Started from personal needs, currently building a recipe template app that users can put details of their recipes to save & print them in PDF files.
